Feedback | Mozilla Gigabit Workshop

How would you rate your knowledge of gigabit internet and the technologies it enables prior to this workshop?

Poor   O   O   O   O   O   Strong

How would you rate your knowledge of gigabit internet and the technologies it enables as a result of this workshop?

Poor   O   O   O   O   O   Strong

After this workshop, I feel comfortable using the knowledge and skills I learned today to help others understand gigabit technologies.

Not at all   O   O   O   O   O   Very

What was the most valuable part of this workshop for you?

How do you think broad participation in shaping emerging technologies can support a healthy future of the internet?

What additional training, resources etc. would allow you to contribute to the development of new gigabit technologies?

Any other comments, suggestions or questions that could help us to improve these workshops in the future?
